Our excellent relationships with local authorities and companies in Gibraltar benefits our customers, as our high standards, reliability and the quality of our services is recognized by all parties, which facilitates local operation & documentation processing and reduces any risk of delays or any customs and immigration issues.

From our head office in Gibraltar we coordinate services with our sub agents in all of our neighbouring ports.

“What I like about you guys at Turners is your ‘TOTAL INVOLVEMENT’ in whatever you do... As far as we are concerned, we just feel as-if you are an extension of our Operations department... you know which buttons to push! Keep it up.”

Bunkering

Gibraltar's unique geographic location overlooking the strait of Gibraltar has enabled local bunkering companies to build on the rock's position as an important bunkering location in the western Mediterranean.

From our head office we coordinate bunkering services in Gibraltar, Algeciras and Ceuta.

- Quick, accurate and detailed PDAs
- All pre arrival sent to vessels in good time
- Constant communication with regular congestion reports to vessel and head office.
- Anchoring and departure report sent
- Feedback from sent on departure

We are happy to recommend suppliers and bunkering surveyors on request.

Off port limits

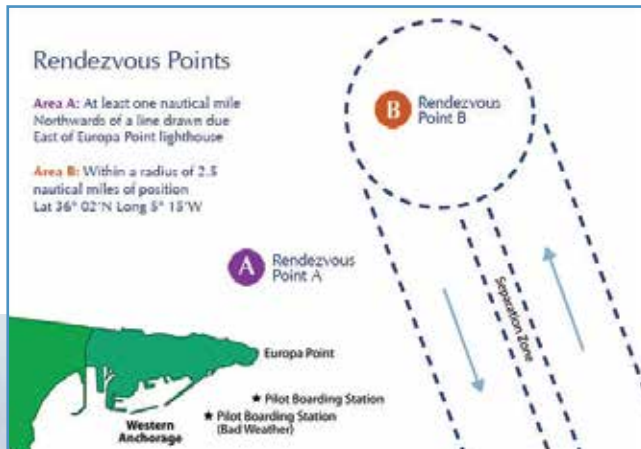

With more than 60,000 vessels passing through the straits of Gibraltar each year and not calling into port, many of our clients use this opportunity to carry out services without delaying the vessel.

A rendezvous position and time is agreed on allowing the vessel only to slow down whilst the service is carried out. No pre arrival paperwork is required for these operations.

- Crew changes
- Delivery of spares
- Delivery of stores

There are two official rendezvous positions:

- OPL A – 2NM East of Europa Point (GBP 145.00 charged regardless of vessels tonnage)
- OPL B – 5/6 NM South East of Europa Point (No port dues charged)

Crewing

We can arrange pickups from Gibraltar airport and all nearby Spanish airports.

We will take care of all immigration formalities prior to crew members arrival / departure, all letters of guarantee's and OK to boards are issued in a timely manner. We issue letters of guarantee as and when they are required.

- Accommodation will always be arranged as per owners managers instruction.
- All taxis in Gibraltar and Spain used for movement of crew are vetted for use.
- Life jackets and safety equipment are given to all crew members to wear whilst using our (MAA approved) launch service.
- The health and safety of all involved in all our operations is our number one priority.
- We appreciate that costs are a major factor in all decisions and as such we will guarantee that we will keep all costs to a minimum and keep you fully updated.

Dry dock and repairs

Turner Shipping is one of the most experienced agents in this sector of the market handling multiple dry dock calls each year from leading seismic companies to container ships and ferries, we can guarantee you the services you will need.

Gibdock are the operator's of the local dry dock's.

- There are three dock's ranging from 154m to 272m.
- They have 1000m of deep-water quay a 300m main wharf and a 435m mole.

Turner will help coordinate your entire stay from pre arrival to departure.

- A clerk will be available 24/7 for the entirety of the docking.
- Our customs clearance and freight dept will visit your superintendants daily to coordinate spares arrivals and departures.
- Crew changes will be handled efficiently and cost effectively.

We know Gibraltar, we know its positives and its limitations. With our experience we can help ensure that your vessel goes into the dock on schedule and comes out of the dock on time.

General repair jobs at anchor or alongside can also be quoted for.

Ship-to-Ship Transfers

Gibraltar port authority has recently changed the regulation so that Ship-to-Ship (STS) transfers can only take place in the bay in a specially designated anchorage spot.

We are one of the more experienced agents in the area in this sector of the market. We are happy to talk through the local tariffs and costs and explain the local regulations so that there are no surprises.

Our excellent relationships with the local authorities and the Gibraltar Chamber of Commerce benefits our customers as it means that the operation and the following documentation that has to be made out will be processed promptly.
